Hi Jen,

Here is a list of our initial findings:

- "The truck convoy will be directed to these specific areas as they arrive in Ottawa" is very polarizing.
- "...ensure they have information relative to safe driving routes" has zero negativity.
- "...ensure they have information relative to ... appropriate locations to park in the city" has some negativity, but it is low.

We will keep sending more updates as more information is presented by Polly.

Thanks,
Lee
